**We wish all of our families a fun, safe and relaxing school holiday break!**

# Class of the Week: Year 5/6G

## 5/6 Goannas Class of the Week

On Wednesday 20th March, Chef Frederico came to cook with us. The Fresh-for-Kids program has been educating NSW school students on the importance of fresh, local, and seasonal produce. It was now our turn to cook! We were so excited!!

**Lucie:** There was a capsicum that looked like it would glow in the dark and we got to cut the food and make salsa.

**Lorelei:** This was the best thing I've ever done here at school! We put Hungarian capsicum, coriander, tomatoes, lime, red onion and avocado into the delicious soft tortilla. Even Cate had one! It was a great day.

**Dexter:** Frederico told us what to do and then just let us do it in our own way which I think is a very smart way of learning. The result was beautiful and very tasty.

**Richard:** It is very yummy and healthy for you and the tortillas were very delicious. I liked it a lot because it was fun making the wraps and then eating them.

**Frida:** It was remarkable!! We cut up the ingredients and, Frederico had already cut for us onions and coriander. The mixture of all sorts of veggies put together made a sensational salsa that we adored.

**Finn:** I am not the biggest fan of onion and olive oil but after I tried the food my mind today was like 'Oh, I love this food! It was so nice!'

**Harriet:** It was an amazing experience. I got to try Hungarian capsicum which I discovered, I really like! I usually don't like capsicum mixed

with other stuff, so I thought I wasn't going to like it in a wrap, but I loved it!

**Ada:** We cooked Tortillas with Chef Frederico. We used so many fresh vegetables. It was amazing, thank you chef.

**Chilli:** The food experience I had with Chef Frederico was outstanding. The food we made, the way all the flavours blended in with each other was like a melody and the best part, it was also super healthy.

**Lucas:** I liked learning about the veggies but the radioactive one AKA the Hungarian capsicum was my favourite. The onions made my eyes water. Chef Frederico was nice too. I had a fun time.

**Jacinta:** I really liked making tortilla. My favourite part was eating it. I tried coriander and red onions, and I loved them!

**Lily:** I liked it however I wished there was more time. I tried Hungarian capsicum.

**Ahitana:** It was good to eat tacos. They were very yummy. It was good to cut up the food. I got inspiration from my dad who cuts our food.

**Jarvis:** Chef was very helpful in creating our breathtaking food. The best part was eating it!

**Tom:** It would be great if we could work with Chef every season. Maybe soups in the winter?

**Charlie:** It was fun learning how to make wraps. I ate two.

**Sharla:** The wraps were really healthy. I'd like to try and make them at home.

**Athar:** I currently have Ramadan so I didn't eat but when my fast finishes tonight, I will try the food. Cutting the vegetable and cooking was so fun and satisfying.

DARLINGTON P&C  
PRESENTS
